

Geneva, 30 July 2014

Sir,

Thank you for the information you want to inform my government about Sangaris operation in the Central African Republic.

The information has held the attention of my authorities.

Given the seriousness of the allegations and the need to check the reality, it was immediately decided to go to court which will decide on the action to be taken, including possible criminal prosecution. Moreover, a disciplinary command investigation was launched immediately, under the responsibility of the General Staff of the Armies.
